About Us

HeadStart possesses over twenty years of recruitment, professional development, training and HR experience. Our services are unique in that they bring practical knowledge of how the recruitment and hiring landscape in Australia really works. Our products & services are driven by a desire to provide the best possible techniques to our clients, and offer a tangible difference to our competitors. Born from our experience in the local recruitment and HR industry.

Included in the Report

- A 5 page profile report emailed to you on the same day
- A short and concise behavioral profile of the candidate
- The candidate's value to the organization
- How effective the candidate will be on the job
- Are they a good 'fit' for the job
- What's the most effective management style for the candidate
- The types of roles the candidate is suitable for based on their behaviour type.

Outcomes

Myprofile will help you to:

- Avoid costly hiring mistakes
- Employ people with the right attitude
- Reduce conflict and workplace stress
- Understand what motivates your employees
- Improve team performance
- Maximize your employees' strengths and talents
